## **6. Processing transactions**

- (i) The Merchant must only use Transaction Vouchers, Card Imprinters and Electronic Terminals authorised by Worldline.
- (ii) If Worldline has agreed that the Merchant can process Transactions electronically, the Merchant must not use a Card Imprinter and Electronic Terminal to process the same Transaction. The Merchant may only process a Transaction manually using the Card Imprinter if the Electronic Terminal is malfunctioning or it is impossible for Transactions to be processed through it. If the Merchant processes Transactions manually, the Merchant must follow any directions given in a Terminal Guide and use any products or tools in the manner directed by Worldline.
- (iii) The Merchant must ensure any goods purchased via mail, telephone or Internet order are despatched to the Cardholder immediately after processing that sales Transaction either manually or through an Electronic Terminal to Worldline.
- (iv) The Merchant must not use two or more Transaction Vouchers to process one Transaction or process a Transaction where only part of the amount due is included on the Transaction Voucher except:
  - (a) where the balance of the amount due is paid in cash or by cheque; or
  - (b) where the goods or services are to be delivered or performed at a later date and one Transaction Voucher represents a deposit and the second Transaction Voucher represents payment of the balance. The second Transaction Voucher must not be presented or processed until the goods are delivered or the services performed.

- (v) The Merchant must not process a Transaction on behalf of another person including another merchant or allow another person to use the Merchant Facilities except under a bona fide agency arrangement.
- (vi) The Merchant must use reasonable care in processing a Transaction to detect forged or unauthorised signatures or the unauthorised use or forgery of a Nominated Card. In particular, the Merchant must comply with specific requirements set out in the Terminal Guides or reasonable directions notified by Worldline to the Merchant in writing. You are advised to read the Fraud Minimisation guidelines which can be found at [anzworldline.com.au/fraud](https://anzworldline.com.au/fraud).
- (vii) Following each Transaction (other than mail, telephone and Internet Orders) the Merchant must immediately give the Cardholder a copy of the Transaction Voucher. When the Transaction is an Internet Transaction, the Cardholder must be able to print a Transaction Voucher from the Internet and when the Transaction is a telephone Transaction, the Merchant must provide the Cardholder with a receipt number for the Transaction and the Merchant must maintain a record of that receipt number.
- (viii) Unless otherwise authorised by Worldline in writing, the information on the Transaction Voucher must be identical with information on any other copy of the Transaction Voucher and must include all information required by the relevant Terminal Guide.
- (ix) The Merchant must not:
  - (a) split the value of any proposed Credit Transaction into two or more separate Credit Transactions which would, when added together, be in excess of the Authorised Floor Limit[; or
  - (b) split the value of transactions or engage in any form of "load balancing" (that is, any form of distributing transactions between or over different merchant accounts with Worldline and/or any one or more other acquirers) with the aim of avoiding any transaction limits imposed by any Nominated Card Schemes].
- (x) If Worldline determines that the conduct of a Merchant in processing Transactions in accordance with the Agreement may cause loss to the Merchant or Worldline (through fraudulent activities or otherwise), Worldline may:
  - (a) where the Merchant is using a Card Imprinter, require the Merchant to replace that Card Imprinter with an Electronic Terminal nominated by Worldline; and/or
  - (b) where the Merchant is authorised by Worldline to accept a Nominated Card as payment for goods or services ordered by mail, telephone or Internet in accordance with Condition 4(ii), withdraw that authorisation and require the Merchant to only process Transactions where the Nominated Card is presented by the Cardholder.
- (xi) The Merchant must prominently and clearly inform the Cardholder of the identity of the Merchant so that the Cardholder can readily distinguish the Merchant from any supplier of goods or services to the Merchant or other third party. The Merchant must also notify the Cardholder that the Merchant is responsible for:
  - (a) the sales Transaction including any goods or services that are the subject of the sales Transaction;
  - (b) all customer service relating to the sales Transaction;

- (c) dispute resolution in connection with the sales Transaction; and
  - (d) performance of the terms and conditions of the sales Transaction.
- (xii) If the Merchant is specifically authorised by Worldline to accept a Nominated Card as payment for goods or services ordered by mail, telephone or Internet in accordance with Condition 4(ii) or the Merchant is authorised by a Cardholder to process Recurring Transactions, the Merchant must ensure that the Transaction is correctly identified as a mail, telephone, Internet Order or Recurring Transaction.
  - (xiii) If a Merchant is authorised to process Recurring Transactions, the Merchant must maintain appropriate business practices to ensure that the Cardholder's Nominated Card information remains current, accurate and complete (including where applicable, the Nominated Card's expiry date).
  - (xiv) If the Merchant is authorised to process Recurring Transactions, the Merchant must also ensure that Recurring Transactions are processed with the Cardholder's consent.
  - (xv) The Merchant is required to provide Cardholders with a means of informing the Merchant of changes to card account details and/or the Cardholder's wish to cancel payment arrangements. The Merchant is required to action any Cardholder request to change and/or cancel payment arrangements within 5 Business Days of receipt of the Cardholder's request.
  - (xvi) The Merchant must not, without the prior written consent of Worldline, process Transactions for any goods or services unless delivery to the Cardholder will be completed within twelve months of the date of the Transaction.
  - (xvii) The Merchant must comply with all applicable Laws, any obligations in this Agreement and any reasonable direction of Worldline in carrying out its obligations in processing Transactions under the Agreement. For the avoidance of doubt, a breach of any Law including any code of conduct specifically regulating or prohibiting the retention by merchants of Cardholders' personal identification numbers, passwords or other codes or information that can be used to access a Cardholder's account will constitute a breach of this undertaking.
  - (xviii) The Merchant must ensure that it processes all Transactions in accordance with the requirements of any Nominated Card Scheme rules that Worldline notifies to the Merchant.
  - (xix) The Merchant must ensure that each Transaction is recorded in Australian dollars except where Worldline has given prior written approval to the Merchant to record Transactions in other currencies.

- (ii) For Recurring Transactions – the Merchant must obtain authorisation for all Recurring Transactions and ensure it has the Cardholder’s consent to process Recurring Transactions. Where applicable, the Merchant must ensure the Nominated Card has a current validity date and that the CVV2 is provided when processing the first Recurring Transaction against that Nominated Card. After processing the initial Recurring Transaction, the Merchant must destroy the CVV2 in one of the manners set out in Condition 9(iv).
- (iii) When the Merchant seeks authorisation, the Merchant must ensure that the authorisation code appears on each Transaction Voucher applicable to a Transaction.
- (iv) The Merchant should seek to retain the Nominated Card until authorisation is given. If the Merchant is requested by the Authorisation Centre to retain the Nominated Card, the Merchant should use reasonably peaceful means to retain the Nominated Card and deal with the Nominated Card in accordance with the instructions of the Authorisation Centre.
- (v) In the case of a Transaction involving a mail, telephone or Internet order, authorisation is not a representation or warranty to the Merchant that the purchase is made by the Cardholder.
- (vi) Authorisation of a Transaction is not a representation or warranty by Worldline to the Merchant that a Transaction is not an Invalid Transaction.
- (vii) Worldline may change a Merchant’s Authorised Floor Limit immediately upon notice:
- (a) where Worldline has approved a change requested by the Merchant;
  - (b) where in Worldline’s reasonable opinion, the change is required to protect Worldline, the Merchant and/ or Cardholders from actual or suspected fraudulent activity;
  - (c) to enable the processing of transactions during technical difficulties; or
  - (d) where required by a change in Law or to the regulations, by-laws or rules of a Nominated Card Scheme.

Worldline will endeavour to process Transactions and credits to the Merchant Account in a timely manner.   - (f) defer settlement of any Transaction for up to 2 Business Days.

It may do these things during a period of up to three months following the occurrence of the circumstance set out in (a) to (d) above (the "deferred period"). Immediately prior to the end of any deferred period, Worldline will review the relevant circumstance set out in (a) to (d) above, to determine whether blocking Transactions and/or deferred settlements should continue and what period that deferral should be. - (xxxv) the Transaction is not authorised by Worldline or the authorisation request is declined for any reason.

## 12. Chargeback

- (i) If a Transaction is an Invalid Transaction, Worldline may, at its sole discretion (and without a request or demand from a Cardholder):
  - (a) refuse to accept the Transaction; or
  - (b) if the Transaction has been processed, at any time within two years of the date of the Transaction, charge that Transaction back to the Merchant by directing ANZ to debit the Merchant Account or Retention Account or otherwise exercising its rights under the Agreement.
- (ii) If Worldline receives a payment from a Cardholder relating to an Invalid Transaction that has been charged back to the Merchant, Worldline will pay an amount equal to that payment to the Merchant less any amount which Worldline is entitled to withhold or set-off under the Agreement.
- (iii) Despite any contract, arrangement or understanding to the contrary, in respect of all Transactions processed by the Merchant, the Cardholder will be entitled to initiate a charge back of the Transaction to the Merchant where permitted in accordance with the rules of the relevant Nominated Card Schemes.

## 13. Merchant accounts

### 13.1 Merchant account

- (i) The Merchant must maintain a Merchant Account of a type acceptable to Worldline with an authorised deposit-taking institution for the term of the Agreement.
- (ii) Where the Merchant Account is held with a financial institution other than ANZ, the Merchant must provide Worldline with a properly completed periodical direct debit authority in favour of ANZ to enable ANZ to debit the Merchant Account on behalf of Worldline and transfer the relevant funds to Worldline.
- (iii) Worldline reserves the right acting reasonably to require the Merchant to maintain a minimum credit balance in the Merchant Account during the term of the Agreement. Any such minimum credit balance will be notified by Worldline to the Merchant from time to time.

- (iv) Where the Merchant Account is held with ANZ, the Merchant authorises ANZ to debit and credit the Merchant Account on behalf of Worldline for the purposes of the Agreement and to transfer the funds debited to Worldline.

### 13.2 Retention account

- (i) Worldline may at any time give the Merchant a Retention Notice where, in the reasonable opinion of Worldline, the Merchant's business gives rise to a significant risk of financial loss to Worldline, the Merchant and/or Cardholders. The Retention Notice must specify:
  - (a) the Retention Amount, being an amount that Worldline determines reasonably reflects any consequent liability to Worldline whether present or future, actual or contingent, that flows from that risk; and
  - (b) the proportion of the Merchant's settlement proceeds processed through the Merchant Facilities to be retained in the Retention Account (**"Retained Proceeds"**);
- (ii) If a Retention Notice is given to the Merchant and a Retention Account has not previously been established in relation to the Merchant, Worldline will establish a Retention Account in relation to the Merchant. No interest is payable on the balance in the Retention Account.
- (iii) The Merchant authorises ANZ to: deduct the Retained Proceeds from the Merchant's settlement proceeds processed through the Merchant Facilities and retain the Retained Proceeds in the Retention Account. The balance of the Merchant's settlement proceeds after the Retained Proceeds have been deducted will only be released to the Merchant Account in accordance with this Agreement; and debit the Retention Account in accordance with Condition 12(i)(b) or otherwise as permitted by this Agreement.
- (iv) Once the balance of the Retention Account reaches the Retention Amount, ANZ will continue to deduct further Retained Proceeds from the Merchant's settlement proceeds processed through the Merchant Facilities and retain these Retained Proceeds in the Retention Account, but will release a corresponding amount to the Merchant Account so that the balance of the Retention Account (after any deductions made in accordance with this Agreement) remains at the Retention Amount.
- (v) Each of Worldline and the Merchant agree that:
  - (a) Retention Amounts standing to the credit of the Retention Account shall only mature, and the Merchant may only request the withdrawal or repayment of the Retention Amounts, with the consent of Worldline. Worldline shall only give that consent upon Worldline being satisfied that, in Worldline's reasonable opinion, the Merchant has no further liability to Worldline, whether present or future, actual or contingent, under or in respect of this Agreement, including without limitation on account of chargebacks under condition 12 (Chargebacks). This condition overrides any other provision, document or agreement to the contrary;
  - (b) on request from the Merchant from time to time, Worldline may in its absolute discretion release additional amounts from the Retention Account to the Merchant Account.

- (c) none of the provisions of this agreement take effect to the extent that it creates (or would, but for this subclause, create) a mortgage, charge, pledge, lien or hypothecation over the Retention Account, the Retained Proceeds or any Retention Amount; and
  - (d) on request from the Merchant from time to time, Worldline may agree to reduce the Retention Amount if Worldline is satisfied in its reasonable opinion that a lower amount would be sufficient to address any continuing risk of financial loss to Worldline, the Merchant and/or Cardholders.
- (vi) If this Agreement is terminated, this Condition will survive termination. Any amounts in the Retention Account will only be released to the Merchant after a period of 12 months from the date of termination (or any other time notified to the Merchant by Worldline) or in accordance with a schedule notified in writing by Worldline to the Merchant (if sooner).

Worldline will also take reasonable steps to mitigate any claims, damages, actions, losses or liabilities which are the subject of this indemnity.

## 24. Worldline liability

- (i) To the extent permitted by Law, including the Australian Consumer Law or Australian Securities and Investment Commission Act, Worldline will not be responsible for any loss or damage (including consequential loss or damage) suffered by the Merchant under the Agreement including, but not limited to, loss or damage suffered because an Electronic Terminal or any telephone line or other communications device or service is malfunctioning or not operating, except direct loss or damage attributable to the negligence or wilful default of Worldline. To remove any doubt and without limiting the generality of this provision, Worldline services and Merchant Facilities are dependent on messaging, communications, processing and other systems which are subject to interruption or breakdown for a variety of reasons. ## **26. Appointment of agent, subcontractor or other party**

- (i) The Merchant must not appoint any agent or subcontractor or a person in any other capacity ("an Appointee") to carry out the performance of any of the Merchant's obligations under the Agreement without the specific written agreement of Worldline.

- (iii) The Merchant represents and warrants to Worldline that the information the Merchant has provided Worldline in the Application is true and correct and not misleading in any material respect.

- (v) The Merchant represents and warrants to Worldline that the Merchant has complied with all applicable Laws in carrying out its obligations under the Agreement.

## **29. Suspension of merchant facility or suspension of pay out of all transactions**

Worldline's right to freeze the Merchant Account pursuant to this clause may be separate to, or in addition to, the right Worldline has under Condition 29(i). When exercising this right Worldline is not required to notify the Merchant of the date on which the suspension or freezing of the Merchant Account, or both, as the case may be, will end. Under certain circumstances Worldline may freeze the Merchant Account or refuse to allow withdrawal of funds from a Merchant Account before giving the Merchant notice (but will promptly give the Merchant notice after having done so).
- (iii) When Worldline suspends the Merchant Facilities as contemplated in Condition 29(1) or ANZ at the direction of Worldline freezes the Merchant Account as contemplated in Condition 29(ii), or both, as the case may be:
  - (a) the Merchant must not accept any Nominated Cards as payment for goods or services; and

- (b) Worldline is not obliged to accept any Transactions processed by the Merchant after notification of suspension.
- (iv) Worldline may during the period of suspension or freezing of the Merchant Account, or both, as the case may be, terminate the Merchant Facilities under Condition 30.
- (v) Worldline at its discretion may end the suspension or freezing of the Merchant Account, or both, as the case may be if Worldline is satisfied in its reasonable opinion that the Merchant has remedied any events listed in Condition 30(ii)(b), (d), (h), (i) or (j) that have occurred, to the extent they are remediable, and that the risk of loss to Worldline, the Merchant and/or Cardholders does not require ongoing suspension or freezing of the Merchant Account.

### 30. Termination

- (i) Worldline may at any time terminate the Agreement by giving the Merchant notice in writing. The Merchant may at any time terminate the Agreement by giving Worldline notice:
  - a) by calling Worldline Merchant Services to request closure of the Merchant Facility and receiving acknowledgment of this request from Worldline; or
  - b) where instructed by Worldline, by completing the Merchant Maintenance Form to request closure of the Merchant Facility.  
The notice does not need to include any reason and will take effect:
  - c) where no Electronic Terminal(s) are supplied by Worldline under the Agreement, on the date of such notice; or
  - d) where Electronic Terminal(s) are supplied by Worldline under the Agreement, on the date which is the earlier of:
    - (A) the date on which all Electronic Terminal(s) are returned by the Merchant and/or recovered by Worldline; or
    - (B) the date that is 30 days from the date on which the notice was given.
- (ii) Worldline may terminate the Agreement immediately by notice to the Merchant should any of the following occur:
  - (a) an Insolvency Event occurs in relation to the Merchant;
  - (b) the Merchant breaches any of its material obligations under the Agreement;
  - (c) the Merchant does not process any Transactions with Worldline for a continuous period of six months;
  - (d) in Worldline's reasonable opinion, the Merchant is involved in an unacceptably high number of Chargebacks, Refund requests or retrieval requests, without justification acceptable to Worldline;
  - (e) it becomes illegal or impossible in practice for Worldline to continue to provide the Merchant Facilities to the Merchant (including because the provision of the Merchant Facilities would breach a material requirement of a Nominated Card Scheme);
  - (f) the Agreement becomes in whole or a material part void, voidable or unenforceable or a claim is made to that effect, in each case because of a change in the Law or a change in the circumstances of the Merchant;

- (g) the Merchant processes a Transaction that the Merchant knew, or ought to have known, was fraudulent or illegal;
  - (h) Worldline reasonably determines that the continued provision of the Merchant Facilities to the Merchant may damage the reputation of Worldline or otherwise reasonably considers that Worldline or the Merchant may suffer loss if it continues to provide the Merchant Facilities to the Merchant;
  - (i) any of the information provided by the Merchant in the Application or otherwise to Worldline is or becomes incorrect, or false or misleading in a material respect;
  - (j) the Merchant's details and other information disclosed in the Application materially changes, including, but not limited to, a change to the nature and type of business conducted by the Merchant;
  - (k) the Cardholder has not received the goods or services as required by the terms of the Transaction (and, in the case where the Merchant is not the provider of the goods or services and acts as agent for the provider of the goods or services, the goods or services have not been provided by the principal) and the Merchant has failed to provide Worldline with proof of receipt of, and satisfaction with, the goods or services by the Cardholder within 5 Business Days of Worldline's request to do so; or
  - (l) Worldline reasonably determines that the Merchant is:
    - (A) using Worldline's products, software or services in an illegal, fraudulent or unlawful manner; or
    - (B) using Worldline's products, software or services to undertake or in connection with illegal, fraudulent or unlawful activities.
- (iii) Termination of the Agreement or any part of it does not affect any rights or obligations of the Merchant or Worldline that arose prior to termination. In particular, any obligation the Merchant has under the Agreement to indemnify Worldline or to pay Worldline any amounts (including costs), is a continuing and independent obligation and survives even if the Agreement is terminated. All Transactions made prior to termination are subject to the terms of the Agreement.
- (iv) The Merchant Facilities will be closed by Worldline within 30 days of the date on which the Merchant Agreement was terminated.
- (v) If Worldline receives a Transaction Voucher after termination of the Agreement, Worldline reserves the right, at its option, to return the Transaction Voucher to the Merchant or to retain the Transaction Voucher. If Worldline decides to retain the Transaction Voucher, the Merchant is not entitled to any payment for the Transaction in respect of the Transaction Voucher until such time as Worldline has received payment and no chargeback claim can be made by the issuer of the Nominated Card in connection with the Transaction Voucher.
- (vi) On giving or receiving a notice to terminate the Agreement, the Merchant must immediately arrange with Worldline for the recovery of all stationery (excluding stationery paid for by the Merchant), promotional material, Transaction Vouchers, Card Imprinters or equipment (including Electronic Terminals) supplied in connection with the Agreement.

- (vii) If the Agreement is terminated for any reason, Worldline reserves the right to charge the Merchant a closure administration charge, in accordance with the Order Form or other agreement, as the case may be.
  - (viii) The Merchant authorises Worldline to:
    - (a) disclose to any person the fact that all or part of the Agreement has been terminated;
    - (b) disclose information concerning the termination and reasons for termination of all or part of the Agreement to any credit provider or Nominated Card Scheme; and give a banker's opinion to other financial institutions with whom the Merchant may make application for other merchant facilities.
- The Merchant acknowledges that the disclosure of this information may affect the Merchant's ability to successfully apply for merchant facilities in the future.
- (ix) The obligations contained in Conditions 12, 13, 14, 16, 16A, 18, 19, 23, 24, 29, 30, 31 and 45 survive termination of the Agreement.

### **31. Set off**

- (i) Worldline may upon notice to the Merchant set off any Liability owed by Worldline to the Merchant on any account against any Liability owed by the Merchant to Worldline under or in connection with this Agreement.
- (ii) If Worldline exercises its right of set off under Condition 13.2(ii)(b), 31(i) or 31(ii) in respect of any Liability that is contingent, unascertained or unliquidated, Worldline may estimate the amount of that Liability in good faith and exercise its right of set off, combination or appropriation in respect of that estimate.
- (iii) If the actual liability proves to be less than the amount set off Worldline must pay the Merchant the amount of the difference. If the actual liability proves to be more than the amount set off the Merchant must pay to Worldline the amount of the difference. To give effect to this condition, Worldline may at any time convert any amount (for example, amounts standing to the credit of the Retention Account, or any Liability) in one currency into another currency as it thinks appropriate, at a prevailing market rate of exchange that Worldline chooses in accordance with its usual practice at that time.

### **32. Variation**

- (i) Worldline may vary a term of the Agreement at any time by giving the Merchant notice in writing no later than the day on which the variation takes effect for the following types of changes:
  - changes required by a change to the Law, applicable industry codes or the rules of any Nominated Card Scheme;
  - the introduction of, changes to, or the removal of, any Nominated card; and
  - any changes which, in Worldline's reasonable opinion, are required to protect the Merchant; Cardholders and/or Worldline from the risk of fraudulent or illegal activity.
- (ii) Worldline may introduce a new fee or charge under this Agreement, or increase an existing fee or charge, at any time by giving the Merchant 30 days' notice in writing of the new or increased fee or charge, unless otherwise

agreed with the Merchant.

- (iii) Worldline may vary any other term of the Agreement at any time by giving the Merchant reasonable notice of the change. If we reasonably consider a change is unfavourable to you, we will give you prior notice of at least 30 days. We may give you a shorter notice period, which may include notice on the day the variation takes effect, if we reasonably consider:
- the change has a neutral effect on your obligations;
  - the change reduces your obligations; or
  - providing a shorter notice period is necessary for us to:
    - avoid or reduce a material increase in our credit risk or loss; or
    - comply with legal or regulatory requirements or the rules of any Nominated Card Scheme.

Despite this clause, Worldline will always give you notice in accordance with any applicable laws or industry codes which require any minimum notice periods or specific methods of notification.

- (iv) The Merchant acknowledges that where Worldline agrees to an increase in the Merchant's Refund limit, Authorised Floor Limit or tipping limit in respect of the Merchant Facilities, additional or increased incidence of liabilities or losses may arise as a result, including from erroneous or fraudulent Transactions.
- (v) If a proposed change to a term of this Agreement is not acceptable to you, you have the right to terminate the Merchant Facilities under Condition 30.

### 33. Notice

Merchant. The Merchant must not act as if, or represent or attempt to represent to any person that, any such relationship exists.

If in any jurisdiction, a provision of the Agreement is illegal or unenforceable, the Agreement is to be interpreted for the purposes of that jurisdiction only, as if it had never included the provision so far as the provision is illegal or unenforceable.

### **37. Waiver**

The rights Worldline has under the Agreement cannot be waived except by Worldline giving the Merchant written notice waiving the particular rights. In particular, Worldline does not waive any right that Worldline has in connection with the Agreement merely because Worldline does not exercise it or does not exercise it as soon as Worldline can.

### **38. Merchant's continuous obligations**

- (i) The Merchant must immediately notify Worldline Merchant Services in writing:
  - (a) if circumstances arise which may have a material adverse effect on the Merchant's business, assets or financial condition or the Merchant's ability to perform the Merchant's obligations under the Agreement. It is advisable that the Merchant informs Worldline promptly when it is in financial difficulty; or
  - (b) if the Merchant sells, leases or transfers its business or any of the Premises; or

- (ii) If Worldline specifies a time by which the Security must be provided, the Merchant must provide the Security to Worldline by that time.
- (iii) Without limiting Conditions 13 (including 13.2), 31 or 39(i) above, if Worldline believes there is a likelihood of any of the events in Condition 30(ii) occurring, or such events do occur, Worldline may by notice in writing to the Merchant, in its absolute discretion, retain portions of the Merchant's settlement proceeds in a separate suspense account. Such suspense account can be either a Retention Account or a separate suspense account. Worldline may retain the Security until Worldline is satisfied that:
  - (a) the risk of any of the events in Condition 30(ii) occurring, or ceasing to occur, no longer exists; and/or
  - (b) no Transactions will be charged back by Cardholders.

- (iii) enabling Worldline to exercise rights in connection with the Security Interest.

### **47.2 PPSA undertaking**

These procedures must include procedures designed to ensure that the Merchant or its Guarantor takes all steps under the PPSA to continuously perfect any such Security Interest including all steps necessary:

- (i) for the Merchant or its Guarantor to obtain, the highest ranking priority possible in respect of the Security Interest; and
- (ii) to reduce as far as possible the risk of a third party acquiring an interest free of the Security Interest.

- (ii) The Merchant acknowledges that when Merchant Choice Routing is activated, contactless transactions using a Relevant Multi-Network Card, where at the time the transaction is processed Worldline is able to correctly identify it is a Relevant Multi-Network Card, will be routed to eftpos. Neither the Merchant nor the Cardholder will have the ability to change the routing of a Relevant Multi-Network Card or Transaction at the time the contactless transaction is processed.
- (iii) The Merchant acknowledges that if it chooses to activate Merchant Choice Routing, it must contact Worldline Merchant Services to make this request. The Merchant will be informed whether the request has been approved and, if it has, of the applicable timeframe to activate Merchant Choice Routing. The Merchant acknowledges that the activation may not be immediate. The Merchant acknowledges that Worldline may instruct the Merchant to take additional steps to ensure activation is effective. For example, the Merchant may need to upgrade, restart or reconnect their Electronic Terminals for Merchant Choice Routing to become effective.

It is the Merchant's responsibility to assess, on an ongoing basis, whether activation of Merchant Choice Routing is the right choice for its business (taking into account, for example, changes to Fees and Charges).
- (vi) The Merchant acknowledges that Worldline may, at its discretion and from time to time, provide the Merchant

with reporting about its Merchant Facilities which may include data regarding Merchant Choice Routing. The Merchant acknowledges and agrees that this does not constitute financial advice by Worldline and does not take into account the Merchant's commercial objectives, financial situation or needs. The Merchant agrees, before deciding whether to activate or deactivate Merchant Choice Routing, to consider its own commercial objectives, financial situation or needs and agrees that it is not relying on any representation, modelling or forecasting provided by Worldline.

- (vii) The Merchant agrees that where Merchant Choice Routing is activated, it will explain to Cardholders about the routing of Transactions and the consequences of routing via eftpos and will comply with all directions, recommendations and guidance issued by a Nominated Card Scheme or by a regulatory or Government body or authority regarding communications to Cardholders.
- (viii) The Merchant acknowledges and agrees that, to the extent permitted by Law or any regulatory requirements, any complaints from Cardholders regarding the routing of Transactions via eftpos rather than an international card scheme will be handled by the Merchant.
- (ix) The fee applicable to Debit Transactions as detailed in your Agreement will be applicable to all Transactions routed via eftpos in accordance with your Merchant Choice Routing direction and this Condition.
- (x) Worldline reserves the right to temporarily suspend or permanently deactivate the Merchant's Merchant Choice Routing capability and to revert to default transaction routing options, where Worldline considers this reasonably necessary. Worldline will provide the Merchant with reasonable notice of the suspension or permanent deactivation of Merchant Choice Routing. The Merchant will be informed of the applicable timeframe to deactivate Merchant Choice Routing at the time the request is made and the Merchant acknowledges that deactivation may not be immediate. The Merchant acknowledges that Worldline may instruct the Merchant to take additional steps to ensure deactivation is effective. For example, the Merchant may need to upgrade, restart or reconnect their Electronic Terminals to deactivate Merchant Choice Routing.
- (xii) At any time, Worldline may cease to offer Merchant Choice Routing capability and will provide written notice to the Merchant.
