13. Transaction information

- (i) The Merchant must lodge Transactions with Worldline for settlement in accordance with the Terminal Guides and any other reasonable directions from Worldline or a Nominated Provider notified to the Merchant in accordance with Condition 46 and must do so:

- (ii) Worldline will issue a monthly record of Transactions, which may at Worldline's discretion be sent through Merchant Portal, including a summary of the number and total amount of all Debit Transactions and the number and total amount of all Credit Transactions processed by Worldline to the Merchant Account during the previous month.

15. Settlement

15.1 General

- (i) Subject to Condition 15.2, Worldline will generally

endeavour to process Transactions and credits to the Merchant Account in a timely manner. Despite this, in certain circumstances, the date on which Worldline processes a Transaction may not be the same as the date on which a Transaction occurs and the calculations of fees may be based on the date a Transaction was processed.

- (ii) Worldline will endeavor to process Refund Transactions in a timely manner. Despite this, in certain circumstances, the date on which Worldline processes Refund Transactions may not be the same as the date on which a Refund Transaction occurs.

15.2 Deferral where suspected fraud, an invalid Transaction or an invalid Nominated Card

- (i) Where Worldline is aware or has reason to believe that a Transaction or Invalid Transaction is fraudulent or an invalid Nominated Card has been used for that Transaction, Worldline reserves the right to take any of the following actions for as long a period as Worldline reasonably determines which will usually not exceed 30 days to:
 - (a) withhold payment to the Merchant Account; and
 - (b) unless it otherwise agrees in writing, prevent the debit of that part of the balance of the Merchant Account, as is equal to the amount Worldline estimates may become owing to it by the Merchant in respect of that Transaction.
- (ii) During the period in Condition 15.2(i), Worldline will investigate the Transaction to determine whether Worldline will either:
 - (a) refuse to process the Transaction and return the Transaction to the Merchant; or
 - (b) if the Transaction has been processed, charge that Transaction back to the Merchant, and will set-off amounts owing to it by the Merchant in respect of that Transaction against funds held in the Retention Account or against funds of any future transactions processed by Worldline for the Merchant.
- (iii) Where:
 - (a) Worldline becomes aware or has reason to believe that a Transaction or Invalid Transaction is fraudulent;
 - (b) the Merchant has breached the Agreement; or
 - (c) Worldline otherwise determines on reasonable grounds that deferred settlement is justified to prevent loss to the Merchant or Worldline,

Worldline may do any or all of the following:

- block the Merchant from processing a Transaction; or
- defer settlement of any Transaction for up to 5 Business Days.

It may do these things during a period of up to three months following the occurrence of the circumstance set out in (a) to (c) above (the “deferred period”). Before the end of any deferred period, Worldline will, acting reasonably, review the relevant circumstance set out in (a) to (c) above, to determine whether blocking Transactions and/or deferred settlements should continue and what period that deferral should be. Worldline will advise the Merchant in writing of its decision on completing the review.

16. Merchant accounts

- (i) The Merchant must maintain a Merchant Account of a type acceptable to Worldline with an authorised deposit-taking institution for the term of the Agreement.
- (ii) The Merchant must provide Worldline with a properly completed periodical direct debit authority in favour of Worldline to enable Worldline to debit the Merchant Account for amounts in relation to the Agreement. The periodical direct debit authority must be valid and effective at all times when the Agreement is in force and the Merchant agrees to do any act or complete any form necessary to give effect to this requirement.
- (iii) Worldline reserves the right (acting reasonably) to require the Merchant to maintain a minimum credit balance in the Merchant Account during the term of the Agreement. Any such minimum credit balance will be notified by Worldline to the Merchant from time to time.

17. Retention account

- (i) Worldline may, at any time, give the Merchant a Retention Notice where, in the reasonable opinion of Worldline, the Merchant's business gives rise to a significant risk of financial loss to Worldline, the Merchant and/or Cardholders.
- (ii) The Retention Notice must specify:
 - (a) the Retention Amount, being an amount that Worldline determines reasonably reflects any contingent liability to Worldline whether present or future, actual or contingent, that flows from that risk; and
 - (b) the proportion of the Merchant's settlement proceeds processed through the Merchant Facilities to be retained in the Retention Account ("Retained Proceeds");
- (iii) If a Retention Notice is given to the Merchant and a Retention Account has not previously been established in relation to the Merchant, Worldline will establish a Retention Account in relation to the Merchant. No interest is payable on the balance in the Retention Account.
- (iv) The Merchant authorises Worldline to:
 - (a) deduct the Retained Proceeds from the Merchant's settlement proceeds processed through the Merchant Facilities and retain the Retained Proceeds in the Retention Account;
 - (b) only release the balance of the Merchant's settlement proceeds after the Retained Proceeds have been deducted, to the Merchant Account in accordance with this Agreement; and
 - (c) debit the Retention Account in accordance with Condition 12(i)(b) or otherwise as permitted by this Agreement.
- (v) Where Worldline has issued a Retention Notice, to secure its obligations under this Agreement and for valuable consideration, the Merchant grants an irrevocable power of attorney to Worldline to direct the relevant financial institution who holds the Merchant Account to debit the Retention Amount (or any part thereof) from the Merchant Account immediately on notice from Worldline.
- (vi) Once the balance of the Retention Account reaches the Retention Amount, Worldline will continue to deduct

further Retained Proceeds from the Merchant's settlement proceeds processed through the Merchant Facilities and retain these Retained Proceeds in the Retention Account, Worldline may (acting in its sole discretion) release amounts to the Merchant Account so that the balance of the Retention Account (after any deductions made in accordance with this Agreement) remains at the Retention Amount.

- (vii) Each of Worldline and the Merchant agree that:
 - (a) Retention Amounts standing to the credit of the Retention Account will only mature, and the Merchant may only request the withdrawal or repayment of the Retention Amounts, with the consent of Worldline. Worldline shall only give that consent upon Worldline being satisfied that, in Worldline's reasonable opinion, the Merchant has no further liability to Worldline, whether present or future, actual or contingent, under or in respect of this Agreement, including without limitation on account of chargebacks under Condition 12 (Chargebacks). This condition overrides any other provision, document or agreement to the contrary;
 - (b) on request from the Merchant from time to time, Worldline may in its absolute discretion release additional amounts from the Retention Account to the Merchant Account.
 - (c) none of the provisions of this Agreement take effect to the extent that it creates (or would, but for this subclause, create) a Security Interest in the Retention Account, the Retained Proceeds or any Retention Amount; and
 - (d) on request from the Merchant from time to time, Worldline may agree to reduce the Retention Amount if Worldline is satisfied in its reasonable opinion that a lower amount would be sufficient to address any continuing risk of financial loss to Worldline, the Merchant and/or Cardholders.
- (viii) If this Agreement is terminated, this Condition will survive termination. Worldline may hold amounts in the Retention Account for a period of 12 months from the date the Agreement is terminated (or acting reasonably due to the likelihood of Liability, for any period of time notified in writing by Worldline to the Merchant).

18. Fees, charges, other payments and GST

- (f) all fines, penalties and other charges incurred by Worldline as a result of any act or omission of the Merchant including a breach of this Agreement by the Merchant;
- (g) any fees, charges or penalties imposed on Worldline by any Nominated Card Scheme due to the nature of the Merchant's business or its operations;
- (h) all fines and/or penalties levied by a Nominated Card Scheme as a result of the Merchant's breach of any Nominated Card Scheme rules specified in this Agreement or otherwise notified to the Merchant from time to time in accordance with Condition 46; and
- (i) all other amounts owing to Worldline by the Merchant under the Agreement.

If Worldline debits the Merchant Account, Worldline will give the Merchant written notice that Worldline has done this.

- (iii) The Merchant must pay on demand by Worldline any amount referred to in Condition 18(ii) which remains unpaid by the Merchant because there are insufficient funds in the Merchant Account to satisfy the payment of that amount in full or for any other reason.
- (iv) Worldline may continue to charge the Merchant the Terminal Rental Fee for an Electronic Terminal and for stationery, promotional materials, Transaction Vouchers or equipment (including Merchant and Terminal ID Cards) supplied in connection with the Agreement until the Merchant has returned all of these items or they have otherwise been recovered by Worldline, irrespective of whether the Agreement has been terminated or (in relation to the Terminal Rental Fee) another Electronic Terminal has been provided.

party liable for payment of the consideration. This clause does not apply to the extent that the consideration is expressly agreed to be GST inclusive.

- (vi) If the recipient is required to reimburse the supplier for any costs, the amount must be reduced to the extent that the supplier is entitled to claim an input tax credit in respect of those costs. A party will be assumed to have an entitlement to claim a full input tax credit unless it demonstrates otherwise prior to the date on which the consideration must be provided.
- (vii) No payment of any amount in respect of GST is required until the supplier has provided a tax invoice or adjustment note, as the case may be, to the recipient. The supplier must provide a tax invoice or adjustment note to the recipient as required by the GST Act.

- (iv) The Merchant must pay the fine and/or penalty detailed in the Breach Notice to Worldline within the timeframe specified by Worldline and in a manner agreed between the parties.
- (v) For the avoidance of doubt, the Merchant agrees that it is liable for all fines and/or penalties imposed by the Nominated Card Schemes (whether imposed on Worldline or the Merchant directly) as a result of the Merchant's breach of the Nominated Card Scheme rules. - (xii) The Merchant must ensure that Cardholder data is destroyed in the following manner:
 - (a) shred, incinerate or pulp hardcopy materials so that Cardholder data cannot be reconstructed; and

To remove any doubt and without limiting the generality of this provision, Worldline services and Merchant Facilities are dependent on messaging, communications, processing and other systems which are subject to interruption or breakdown for a variety of reasons. Worldline will take all commercially reasonable steps to reduce the duration should such interruption or breakdown occur but will not otherwise have any liability for any failure, delay or other matter resulting from it.

In specifying the type of Security and amount secured under this clause, Worldline will act in accordance with what is reasonably necessary to protect its legitimate commercial interests.
- (ii) If Worldline specifies a time by which the Security must be provided, the Merchant must provide the Security to Worldline by that time.
- (iii) Without limiting Conditions 17, 44 or 41(i) above, if Worldline believes there is a likelihood of any of the events in Condition 43(ii) occurring, or such events do occur, Worldline may by notice in writing to the Merchant, in its absolute discretion, retain portions of the Merchant's settlement proceeds in a separate account. Such suspense account can be either a Retention Account or a separate account in the name of Worldline. Worldline may retain the Security until Worldline is satisfied that:
 - (a) the risk of any of the events in Condition 43(ii) occurring, or ceasing to occur, no longer exists; and/or
 - (b) no Transactions will be charged back by Cardholders.

42. Suspension of merchant facility or suspension of pay out of all Transactions

- (i) Worldline reserves the right to suspend the Merchant Facilities, immediately on notice to the Merchant if any of the events listed in Condition 43(ii) occurs.
- (ii) To secure its obligations under this Agreement and for valuable consideration, the Merchant grants an irrevocable power of attorney to Worldline to direct the relevant financial institution who holds the Merchant Account to freeze the Merchant Account and refuse to allow withdrawals of funds from the Merchant Account, immediately on notice by Worldline to the Merchant if any of the events listed in Condition 43(ii) occurs. Worldline's right to freeze the Merchant Account pursuant to this Condition may be exercised separately from, or in addition to, the right Worldline has under Condition 42(i).
- (iii) When exercising this right Worldline is not required to notify the Merchant of the date on which the suspension of the Merchant Facilities or freezing of the Merchant Account, or both, as the case may be, will end. Under certain circumstances Worldline may freeze the Merchant Account or refuse to allow withdrawal of funds from a Merchant Account before giving the Merchant notice (but will promptly give the Merchant notice after having done so).

- (v) Worldline may during the period of suspension of the Merchant Facilities or freezing of the Merchant Account, or both, as the case may be, terminate the Merchant Facilities under Condition 43.
- (vi) Worldline at its discretion may end the suspension of the Merchant Facilities or freezing of the Merchant Account, or both, as the case may be if Worldline is satisfied in its reasonable opinion that the Merchant has remedied any events listed in Condition 42(ii)(b), (d), (h), (i) or (j) that have occurred, to the extent they are remediable, and that the risk of loss to Worldline, the Merchant, Nominated Card Schemes and/ or Cardholders does not require ongoing suspension of the Merchant Facilities or freezing of the Merchant Account.

43. Termination

- (i) Worldline may at any time terminate the Agreement by giving the Merchant at least 30 days' notice in writing. The Merchant may at any time terminate the Agreement by giving Worldline notice:

 - (b) where instructed by Worldline, by completing the merchant maintenance form to request closure of the Merchant Facility.
The notice does not need to include any reason and will take effect:

 - (g) Worldline reasonably determines that the Merchant has processed a Transaction that the Merchant knew, or ought to have known, was fraudulent or illegal;
 - (h) Worldline reasonably determines that the continued provision of the Merchant Facilities to the Merchant may damage the reputation of Worldline or otherwise reasonably considers that Worldline or the Merchant may suffer loss if it continues to provide the Merchant Facilities to the Merchant;
 - (i) any of the information provided by the Merchant in the Application or otherwise to Worldline is or becomes incorrect, or false or misleading in a material respect unless the Merchant has notified Worldline of the change and the change is satisfactory to Worldline;
 - (j) the Merchant's details and other information disclosed in the Application materially changes, including, but not limited to, a change to the nature or type of business conducted by the Merchant unless the Merchant has notified Worldline of the change and the change is satisfactory to Worldline;
 - (k) the Cardholder has not received the goods or services as required by the terms of the Transaction (and, in the case where the Merchant is not the provider of the goods or services and acts as agent for the provider of the goods or services, the goods or services have not been provided by the principal) and the Merchant has failed to provide Worldline with proof of receipt of, and satisfaction with, the goods or services by the Cardholder within 5 Business Days of Worldline's request to do so; or
 - (l) Worldline reasonably determines that the Merchant is:
 - (A) using Worldline's products, software or services in an illegal, fraudulent or unlawful manner; or
 - (B) using Worldline's products, software or services to undertake or in connection with illegal, fraudulent or unlawful activities.
- (iii) The Merchant must terminate the Agreement within 7 days of the earlier of:
- (a) The Merchant ceasing to trade; or

All Transactions made prior to termination are subject to the terms of the Agreement.
- (v) The Merchant Facilities may be closed by Worldline within 30 days of the date on which the Merchant Agreement was terminated.
- (vi) On giving or receiving a notice to terminate the Agreement, the Merchant must immediately arrange with Worldline for the recovery of all stationery (excluding stationery paid

for by the Merchant), promotional material or equipment (including Electronic Terminals) supplied in connection with the Agreement.

- (vii) The Merchant authorises Worldline to:
- (a) disclose to any person the fact that all or part of the Agreement has been terminated;
 - (b) disclose information concerning the termination and reasons for termination of all or part of the Agreement to any credit provider or Nominated Card Scheme

- (i) ensuring that the Security Interest is enforceable, perfected and otherwise effective; or
- (ii) enabling Worldline to apply for any registration, or give any notification, in connection with the Security Interest so that the security interest has the priority required by Worldline; or
- (iii) enabling Worldline to exercise rights in connection with the Security Interest.

50.2 PPSA undertaking

If the Merchant or its Guarantor holds any Security Interests for the purposes of the PPSA and if a failure by the Merchant or its Guarantor to perfect such Security Interests would result in a Material Adverse Effect, the Merchant agrees to implement, maintain and comply in all material respects with, procedures for the perfection of those Security Interests. These procedures must include procedures designed to ensure that the Merchant or its Guarantor takes all steps under the PPSA to continuously perfect any such Security Interest including all steps necessary:

- (i) for the Merchant or its Guarantor to obtain, the highest ranking priority possible in respect of the Security Interest; and
- (ii) to reduce as far as possible the risk of a third party acquiring an interest free of the Security Interest.

If Worldline asks, the Merchant agrees to arrange at the Merchant's expense an audit of the PPSA procedures. Worldline may ask the Merchant to do this if it reasonably suspects that the Merchant is not complying with this clause.

50.3 Costs of further steps and undertaking

Everything the Merchant or its Guarantor is required to do under this clause is at the Merchant's expense. The Merchant agrees to pay or reimburse the reasonable costs of Worldline in connection with anything the Merchant or its Guarantor is required to do under this clause (including any charges and expenses, including those incurred in connection with advisers and any legal costs on a full indemnity basis.)

The Merchant and its Guarantor agree that despite anything else in the Agreement, neither the Merchant nor Worldline, may disclose any information of the kind referred to in section 275(1) of the PPSA (including any information or documents in connection with any Security) unless section 275(7) of the PPSA otherwise applies. - (i) not to authorise the disclosure of any information of the kind referred to in section 275(1) of the PPSA in response to a request made under that section;

55. Severability

If in any jurisdiction, a provision of the Agreement is illegal or unenforceable, the Agreement is to be interpreted for the purposes of that jurisdiction only, as if it had never included the provision so far as the provision is illegal or unenforceable.

56. Waiver

The rights Worldline has under the Agreement cannot be waived except by Worldline giving the Merchant written notice waiving the particular rights. In particular, Worldline does not waive any right that Worldline has in connection with the Agreement merely because Worldline does not exercise it or does not exercise it as soon as Worldline can.

57. Mistakes

Worldline acknowledges that sometimes we can get things wrong. If this happens, we intend to make things right again. The Merchant can contact Worldline to discuss questions, concerns or errors relating to the Agreement or the Merchant Facilities.
